Football Season Is Coming

RESERVE OUR VAN & DRIVER: This year, on game day, make the trip over and back as much fun as you and your game day friends can make it. Let us take the sting out of driving.

PROCESS: We rent the van and driver to you (one person) on a first come first serve basis. You (the renter) are in charge. You decide who you want to go with you (up to 10 people), and when and where we will leave from.

RATES: The fee for the van and driver is \$3.00 per mile. That fee includes approximately 4 hours of wait time during the game. More time is available with arrangements with the driver.

EXAMPLE: It is 200 miles round trip to Tallahassee. The cost for a trip over and back would be \$600.00. That cost can be split up anyway you choose. The trip to Auburn or Gainesville would be more miles and money.

OVERNIGHT: Overnight stays and longer road games can be worked out with prior arrangements.

So start gathering up your friends, plan ahead, and call early.
